

The Prosperity Coffee is prosperous itself! Thursday Morning 15-year tradition

By Brenda Robinson

Now into its 15th year, this group that meets Thursday mornings from 7 to 8 in Mary Kupferle Fellowship Hall grew from a solid 15-18 attendees to the current 65-80 who gather each week. The theme is the same as in the beginning days – Rev. Nancy Norman presents a lesson using a solid, inspiring book related to prosperity in all phases of our lives. Those present have a chance to talk as well. Coffee, tea, and goodies are served. Lots of now good friends have met for the

first time there. The book is covered a chapter at a time, extending sometimes for several months. Many have said this hour sets the tone for their coming week; most people try avoid missing Prosperity. It's that special! On these two pages, group members have expressed a lot of feelings about our weekly Thursday morning visits. We hope you'll join us soon, and see what we mean. Our current book is Dr. Joseph Murphy's *Your Infinite Power To Be Rich*.
