

## 5 Gifts for an Abundant Life™

**NEW** eight-week prosperity program begins Monday, January 18

**Nancy Norman to facilitate day and evening classes**

The vision for the **5 GIFTS for an Abundant Life!**™ course is to connect all people on the planet with the Truth of their Being that they are the Abundance of God. As the collective consciousness is transformed from lack to abundance beliefs, the opportunity to live in Heaven on Earth is realized.

The program was created by Diane Harmony, an author, speaker and counselor. Diane writes and teaches from her personal experience. As recounted in her award-winning *5 Gifts* book, several years ago she found herself attending her daughter's wedding with no money. Unable to pay for her hotel room and meals much less fulfill her promise to give the couple a coveted gift, she spent the night before the ceremony in agony and defeat. How had she gotten herself into this horrible place? What transpired that dark night changed her finances and her life forever.

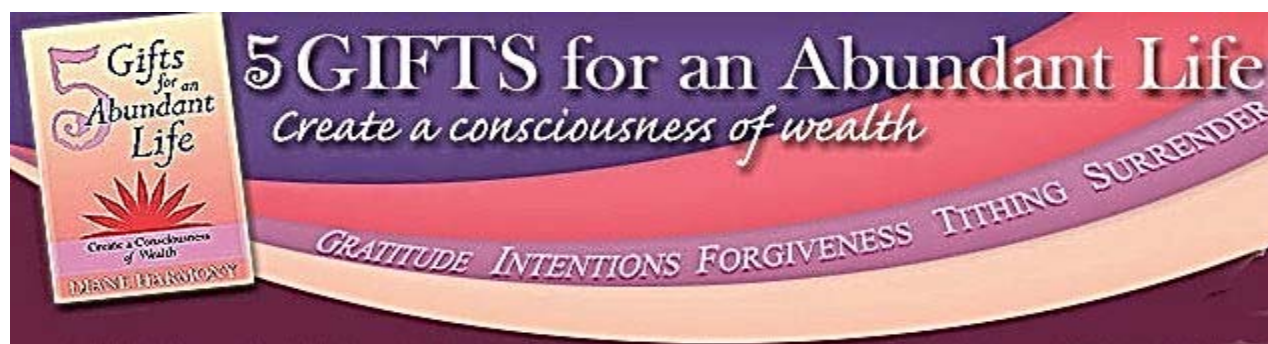

Diane uses her personal journey of awakening to inspire others to release the grip of fear and step into the prosperous lives they were born to live.

The purpose of the course is to foster the personal transformation of every student into a Consciousness of Wealth. Through teaching,

sharing, experiential exercises and prayer these classes ignite the individual's realization that God is the Infinite Source of the life we are created to live—one of abundance of health, wealth, creative self expression and fulfilling relationships. Through the active practice of giving the GIFTS of Gratitude, Intentions (Setting and Manifesting), Forgiveness (of Self and Others), Tithing and Surrender in our everyday lives, our goal is to fully realize that we are the Abundant Love of God.

Two different classes will be available. Both begin Monday, January 18. The morning sessions will meet from 10 to 12, and the evening from 7 to 9. Rev. Nancy Norman will facilitate them.

The **5 GIFTS** course is an eight week set of classes. Each class includes prayer, meditation, sharing, lecture, tithing 10% of realized income, as well as a variety of experiences such as writing assignments, guided imagery, dyad dialogue and creative arts. The foundation of the course rests in prayer. Prosperity Prayer Pods of 5 - 6 people give the participants an opportunity to pray for each other weekly. Each student receives a 60+ page workbook which will be available at the bookstore for a nominal fee.
